

SEAN DOLLWET

ABOUT ME

Sean started self-publishing on KDP when he was 21 years old. In 5 years, he went from being an absolute beginner in online businesses with no money, to multiple six-figure earner and over 1 million dollars in net worth at age 26. He did this from publishing, and now teaches others how to do the same in his Royalty Hero course.

RoyaltyHero

It's a step-by-step success formula teaching entrepreneurs the same 'book stacking' business model that Sean Dollwet used to attain millionaire status in the explosive self-publishing industry. It's for people who are ready for a transformational change in their lives.

In this course, those enrolled will have access to direct mentoring from Sean himself (through monthly Q&A calls, recordings, live streams and 24/7 support), different tools and templates, a Mastermind Facebook group, and lifetime updates.
